

## OUR QUALITY POLICY

- ☞ *To raise academic standard to novel heights to bring excellence in quality legal education.*
- ☞ *To provide unique opportunities to the stakeholders for experimental learning under the guidance of learned and experienced faculty.*
- ☞ *To produce able lawyers armed with adequate legal knowledge and sufficient skills of argumentation and lawyering to fight for justice.*
- ☞ *To inspire and tune up the students to serve the interests of the common and downtrodden folk of our Nation to enable them to empower the powerless.*
- ☞ *To help the students to develop to the best of their natural talents and activities and to mould them to respond intellectually and effectively to the new challenges and opportunities.*
- ☞ *To adapt the students to cater for the new environment presented by the Globalisation.*
- ☞ *To escalate the spirit of Patriotism in them.*
- ☞ *To add to the brainpower of the Nation.*
- ☞ *To make the students self-reliant and law abiding citizens.*
- ☞ *To strive towards the attainment of a peaceful, orderly democracy by instilling in the mind of the students ideals of communal harmony, tolerance and co-operation.*
