Name of the Activity: Environment Day

Organised By: Environmental Club

Title of the Activity: Planting of Sampling

Date and Time: 05/06/2021

Speaker/Resource Person: --

**REPORT:** The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. This year due to the pandemic situation students of our College celebrated world environmental day in their houses. They were asked to plant a sampling and send the photo of the same. A lot of enthusiasm was seen in the students. The event was conducted successfully with whole hearted participation and awareness about plants.

Participants: 30

Co-ordinator: Dr. Ashwini B. Hiremath, Asst. Prof.
