Appraisal Report of TEACHERS FEEDBACK ON CURRICULUM: 2022-2023

Online Feedback of teachers on Curriculum is collected through feedback forms, where 11 teachers of the Institute shared their feedback. After analyzing the feedback from the Academic peers it is observed that,

- Existing curriculum develops better inquisitive ability among the students & analytical ability so also curriculum is a need based, employment oriented & focused on multi skill development of students.
- Suggested to include subjects of the hour like a Cyber law, law of medicine, Women and Law etc. so that students will get knowledge of practice based experience.
- Also suggested to make Interpretation of Statutes as compulsory subject (now it is Optional) as it is helpful in Law profession both for lawyers and judiciary

Appraisal Report of STUDENTS FEEDBACK ON CURRICULUM: 2022-2023

The feedback of students(Final year only) on Curriculum is collected for the academic year 2022-2023 by issue of feedback forms in which 70 final year students submitted their feedback. After analyzing the same, it is observed that --

1. Majority students opined that there is need of adding more practical based Courses like Clinical Courses I to IV so that students will get on-site training and experience.
2. Students suggested to include "Drafting of Pleadings and Conveyancing" subject from the First year so that students will learn better skills of drafting.
3. Students suggested to add Courses of practical importance like Cyber Laws and Information Technology so that they can solve said litigations in the future.
