

Best Practices: 1

1. Title of the Practice: Inter-Collegiate Sports Activities

2. Objectives of the Practice

- a. To inspire, encourage and empower young students towards sports.
- b. To nurture confidence, social skill, ambitions, team work and ability to deal with setbacks.

3. The Context

Sports are not only our extracurricular activity but it boosts the youth and instills pride among them. It is a good tool for community outreach, helps us to facilitate socio – economic development of our nation. Under this practice the Sports Department of the Institution motivates the students to participate in various sports activities arranged by our College and University. Institution also host inter-collegiate sports activities as well.

4. The Practice

The institute follows different methods in identifying the talent among the students. In the initial days of their admission into the college, selections are conducted for various games and sports to identify and tap the young talent in the first-year students. They will be given a chance to join the college team for that particular sport. Qualified physical director groom the sports talent further so as to equip the student to contribute his part in the victory of the college team.

Institution regularly hosts the various inter-Colligate sports activities like badminton tournament, cross country etc. This academic year our institution in association with Karnataka State Law University, Hubballi hosted Inter- Collegiate Table tennis tournament on 25th July 2023 where 21 teams with 80 students participated in this tournament.

5. Evidence of Success: Institution organizes various extra-curricular activities supplementing classroom teaching. Sports is one of the major field. Promotion of sports has created interests among students and as a result many students have participated in various sports competition organized by our institution and various other institutions.

6. Problems Encountered and Resources Required: Institution faces some problems like, indoor and outdoor stadium is shared with other sister institutions and to

overcome this problem institution is planning to shift to new campus with all amenities.

Best Practices: 2

1. **Title of the Practice:** Organization of International Conference

2. **Objectives of the Practice**

- a) To bring together academicians and experts from different parts of the country and abroad to exchange knowledge and ideas.
- b) To provide an in-depth analysis of subjects and update the knowledge of the participants from academic/research institutions

3. **The Context:** organizing conferences provide a forum to promote the exchanges of creative ideas, experiences, case studies among participants and academicians and implementation of various technological tools through oral presentation.

4. **The Practice:** KLE Society's Law Academy & GALTER had jointly organized three days International conference on 24-26 February 2023 on Transformational Technologies with special reference to Artificial intelligence, Meta verse and Block Chain(In hybrid mode) which was hosted by B.V.Bellad Law College, Belagavi. In all 5 technical sessions were conducted on these three days.

5. **Evidence of Success:** During these three days six Resource persons from India and eight Resource persons around the globe have shared their knowledge. Twenty two paper presenters have presented papers on various themes of the conference.

6. **Problems Encountered and Resources Required:** The Institution faced difficulty towards funding this conference therefore financial support was provided through Law Academy.
